Member organisations are asked to adjust their bids to the following issues (issues are related to the strategic paper on future conference, which has been adopted by the WONCA Europe Council in 2005):

1. Content and structure

- Ideas regarding title and theme of the conference.
- An opening and closing ceremony in accordance with the WONCA Europe protocol.
- A proper balance between an actively planned part of the programme in cooperation with WE, and a part based on abstracts submitted

Bidding Procedure for WONCA Europe conferences

- An actively planned part including at least three keynote speakers, state-of-the-art sessions, debate/consensus sessions and planned tracks dealing with important clinical topics, ran by experts in the field, or representatives of WONCA special interest groups.
- A specific recognisable track of sessions for each of the network organisations, and for WONCA special interest groups.
- A pre-conference meeting of the Vasco da Gama Movement.
- Room for other organisations like Trade Unions or special interest groups to organise satellite symposia and meetings outside the programme, but within the context of the conference.
- A team for the implementation and use of Social Media before, during and after the Conference

2. Organisation and financial aspects

- A proposal for a date or a month for the Conference to be organised. In a year of a World Conference this date should be at least 4, preferable 6 months before or after the WONCA World Conference.
- An appropriate venue for the conference, well accessible and providing adequate facilities and technical equipment to guarantee the proper and unimpaired proceedings of all aspects of the conference.
- An acceptable conference fee, including graded fees for trainees and graded fees or scholarships for colleagues from developing countries.
- Acceptable costs for travelling to the venue.
- Enough hotel accommodations with negotiated special prices, including low budget accommodations.
- A conference social programme of events that will be attractive to delegates and accompanying persons.
- Sponsorship agreements in accordance with the European rules on sponsoring.
- Internet connections for conference participants should be described (free WIFI throughout the conference building/limited access in a specific part of the building/paid access only)
- Ethical standards for pharmaceutical companies at scientific congresses must be followed.
- Collaborating with WONCA Europe in the preparation of the Conference, primarily through the liaison person and the WONCA Europe secretariat, with the help of the Guidebook for Future Conferences, and to be laid down in a contract.
