The preparations for Istanbul 2015 are in progress according to plan. The outline of the scientific program is in the making and the venue is booked. 2015 is the year of the 20th anniversary of WONCA Europe, and the celebration will be a part of the scientific, as well as the social program. The promotion of the conference will start right after Lisbon 2014 is closed. The WONCA EB liaison person has met with HOC Istanbul once in 2013, and will meet twice in 2014 and 2015. The communication between Istanbul HOC and EB WONCA Europe is running smoothly on a regular basis.
